

Revox speakers True studio sound quality

Revox Scala 120

The appeal of the Scala S120 lies not only in its look, but its acoustics as well. This 2.5-way bass reflex speaker system wins over with its consummate music reproduction.

Our sound engineers developed a special milling process and a coordinated gluing and pressing system specifically for the production of our highly complex wooden speaker cabinets. The speaker cabinet walls, made of glue-laminated layers of wood, are stiffened multiple times and shaped to prevent the formation of additional standing waves. The appeal of the Scala lies in its handcrafted finishing of the finest quality.

Technical data:

Revox Scala 120

2,5 way, bass reflex

W 128 mm (foot 250 mm) x D 187 mm (foot 250 mm) x H 1215 mm (foot 12 mm)

Weight 12,0 kg

Lacquered cabinet

Power rating 120 Watt

Music power handling capacity 150 Watt

Impedance 4 Ohm

Frequency response 40 Hz – 30 kHz

Efficiency (2.83 V/1 m) 88 dB

Woofer 2 x 90 mm, aluminium

Woofer / Midrange 2 x 90 mm, aluminium

Tweeter 30 mm fabric dome type
