

Exceeding the Boundaries of Portable Projectors

Halo+ (New) outperforms most portable projectors, making it our brightest, most advanced, fully portable projector ever! With a powerful built-in battery, 1080p FHD, and intelligent screen adaption technology, Halo+ (New) delivers the premier visual experience you need when going places.

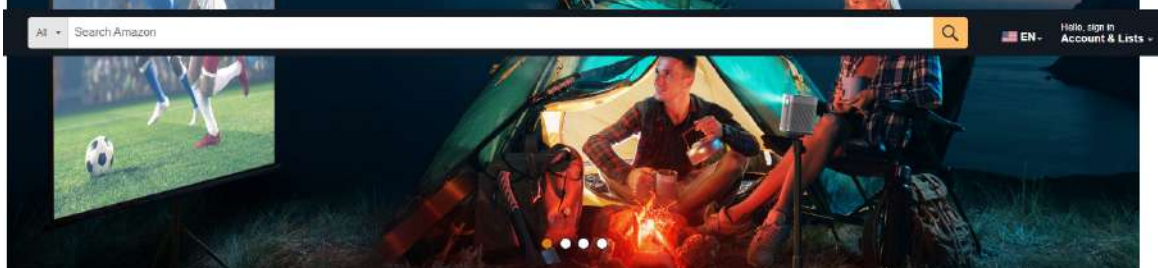

Smart Google TV Projector with Licensed Netflix

Google TV and Google Play Store provide seamless access to 5000+ apps like Netflix, YouTube and Prime Video⁶. Regardless if you're binge-watching the latest show or adventuring outdoors, Halo+ (New) was built to entertain.

Mesmerizing on an Enormous Scale

With Halo+ (New), you can easily set up a 200" display and enjoy the excitement of your content anywhere, anytime.⁵

Auto Focus

Automatically focuses the display until it's crystal-clear
